The HHCA looks to the SELLER to promptly complete transfer in every detail, pay the appropriate fee and send all relevant documents and payments to the Registrar after the sale transaction is complete. All writing must be in ink or typewritten. Do NOT use pencils. Applications that have been altered are not acceptable. If a mistake is made use another blank application and attach it to the original certificate. By completing this application you are giving permission for the new owner's name to be displayed in the herd book. Please ensure they are aware and contact the registrar in the event that is not acceptable to them.

If the transaction involves the sale of a cow of any breed which is bred to a registered Highland bull the transfer application and/or the Bull Permit is still to be completed. By entered the new owners name, you are verifying that you have permission from the new owner for their name to be shown publicly in the herd book.
